SEATING SOLUTIONS

Versatile comfort for your team's next big idea.

Collaboration is the heart of the workplace and Zoll's dynamic design provides multiple solutions to meet today's changing office needs. Offering configurable furniture to fit any size space, this group was created with Flexsteel's vast knowledge of comfort and durability, and was founded on more than a century of experience in soft seating. All upholstered components feature crisp tailoring and on-trend polished chrome legs, and the power pods feature technology integration to ensure your team doesn't have to take a break to power-up.

Details:

- Each power pod is equipped with one electrical outlet and two USB ports, and is available in your choice of two laminate finishes: Smoke and Bourbon
- Chrome metal legs
- Hardware will allow seats, ottomans, and pods to group together
- Hardware features a low-profile sectional clip made from high-impact commercial-grade materials
- Clips utilize the swivel mechanism to be hidden from view when not in use, and are installed with eight countersunk screws for stability and extended performance
- Available in-stock with four fabric options: A5922, A5930, A6010, and A6160
- Also available in additional in-line fabrics and customer's own materials (COM) with extended lead-times
